Sleeve: In the symbol diagram below the chain stitches are actually the chain stitches on the opening of the main piece, join the yarn there. Work around the opening, noting the blue symbols are where you join the **rounds** with a slip stitch. The arrow shows where to join your yarn. **Note:** Some rows have a green stitch, showing the last stitch in that row. **Please read the whole sleeve chart before you start for correct placement of stitches. Note the circular arrows at the top of the diagram.** The sleeve shown in the photo is approximately 11"; you may choose to work 18" for the longer version or until desired length.
